## Our Specialties

Burrow Global focuses on communication and development of our In-Plant staff. By maintaining communication with management and home office, we can assure the best performance and morale of staff to meet and exceed our clients' expectations:

- Resources: Our active database includes thousands of confirmed resumes.
- Responsiveness: Our full time account representatives and recruiters have proven to respond timely and effectively.
- Service: We blur the lines of In-Plant and In-House using systems that enable In-Plant staff direct access to home office technical support.
- Performance: We offer Key Performance Indicator tracking to bolster In-Plant performance.
- Transition: We transition incumbent employees with as little interruption as possible.

## Investment in Our Employees

Our employees enjoy a full benefit package including Personal Time Off (Vacation, Sick Leave/Bereavement), Holidays, Jury Duty (for exempt), Medical/Dental/Vision, Life Insurance, 401K, Profit Sharing and Long & Short Term Disability.

**Burrow Global drives the success of our clients by providing qualified In-Plant personnel with a solid foundation for exceptional performance.**

## Our Value

At Burrow Global, our In-Plant employees are an integral part of our business:

- We fill the gaps in owner/operator organizations with a wide array of capabilities.
- We employ full time account representatives and recruiters supporting clients' needs.
- We communicate effectively with our In-Plant employees enabling positive morale and employee development.
- We provide management systems and technical support of In-Plant staff maximizing performance and productivity.
- We welcome the opportunity to negotiate and execute Alliance Agreements.
